

Hello,

I am writing to apply for the position of "Software Engineer" that I found posted on indeed.ca.

Please review my attached resume, and let me know if you have any questions or would like any more information about my qualifications. Although I do not have much work experience, I will try my best to learn everything and hope I can get an opportunity.

I look forward to hearing from you. Thanks very much for your time.

Best regards,

Jay Zhang
